DECLARATION OF FACTS UNDER 37 CFR 1.47(a)

SIR:

I, Felicia Adadevoh, hereby declare and say that:

1. I am a Patent Prosecution Specialist for AT&T Corp., and, as such I am familiar with and have first-hand knowledge of the facts recited below.

2. The above-identified application was originally filed naming Olga Kapitskaia as a joint co-inventor.

3. After the application was filed, the joint inventor, Olga Kapitskaia, was unreachable and/or refused to join in the application and, accordingly, was unable to sign the Oath or Declaration as required under 37 C.F.R. 1.63.

4. The circumstances surrounding the inability to find or reach the joint inventor, Olga Kapitskaia, was that diligent effort was made to have Olga Kapitskaia sign the Oath or Declaration as required by 37 C.F.R. 1.63.

5. The exact facts which are relied upon to establish that a diligent effort was made to have the joint inventor Olga Kapitskaia sign the Declaration and Oath are as follows:

(a) Prior to August 15, 2001, I attempted to obtain internally at AT&T Corp. an address where I could reach Olga Kapitskaia who had left the employment of AT&T Corp.

(b) On August 15, 2001, I received an e-mail from administrative staff within AT&T Corp. indicating that Olga Kapitskaia's e-mail address was olga.kapitskaia@devinci.fr.

(c) On August 15, 2001, I sent an e-mail to the above e-mail address requesting that Olga Kapitskaia send me a mailing address where I could send the formal papers for her signature.

(d) On August 28, 2001, I received an e-mail from Olga Kapitskaia indicating that her home address was: Olga Kapitskaia, 32 bis rue du Cotentin, 75015 Paris France.

(e) In late August 2001, I proceeded to mail the Declaration and Oath for her signature along with other papers to the above identified address using Federal Express International Air Waybill, Tracking No. 400-6606 8505. (See Attached Exhibit A) The Federal Express package was not returned to sender so presumably reached its destination.

(f) On October 8, 2001, I sent an e-mail to the above-identified e-mail address asking whether Olga Kapitskaia had received the Federal Express package. I did not receive a response. In November 2001, I contacted Divesh Srivastava, a joint inventor on the above-identified application, to encourage him to contact Olga Kapitskaia. Divesh Srivastava agreed to contact Olga Kapitskaia to encourage her to sign the Declaration and Oath.

(g) On December 13, 2001, I again tried to contact Olga Kapitskaia by sending an e-mail to the above-identified e-mail address requesting that she sign the Declaration and Oath and return it to us as soon as possible. I did not receive a reply.

(h) In early January 2002, I again tried to contact Olga Kapitskaia multiple times to request that she sign and return the Declaration and Oath. I tried to contact her by e-mail. I tried to contact her by telephone in France (+33 0 1 41167176). I tried to contact her by fax number in France (+33 0 1 41167171). I did not receive a reply.

(i) On January 18, 2002, concurrent with the present filing of this declaration, I received an e-mail indicating that Olga Kapitskaia had received by communications and would try to sign and return the Declaration and Oath next week. However, next week is past the deadline even with extension fees for the missing parts notice.

6. Based on the foregoing sequence of events, and copies of the documentary evidence submitted herewith, the undersigned establishes that a diligent effort was made to find the inventor, Olga Kapitskaia. The undersigned also establishes that Olga Kapitskaia has effectively refused to sign within the required time period to avoid abandonment of the present application.

7. The undersigned declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or of any patent issued thereon.
